Dear Rev. Arumugaswami,

Thanks for giving me an opportunity to look at the Hindu History lesson.

This attempt to bridge the gap between the academic and Hindu community's perception and portrayal of Hinduism must be warmly welcomed. Of course not every thing in it meets the scholarly gold standard; some scenarios are more plausible than compelling, and some dates more speculative than others, but it may no longer be entirely utopian to hope that more common ground might emerge as more of it is sought.

Sincerely,
